MPA IS A BARGAIN

With many institutions having smaller travel budgets, remember that the MPA meeting is relatively inexpensive. Many of you can drive and Members do not pay a registration fee for the MPA meeting. A badge and program will be waiting for members at the Registration Desk.

We have been working hard to keep Palmer House costs down. In fact, rooms booked at the conference rate will now have free internet, and we have a special low-cost block of rooms for students. Full hotel information will be available in January. It is important for MPA that members stay at the Palmer House, and that the hotel knows you are there for the MPA conference. We could not afford to hold the conference if members did not stay at the Palmer House.

Please support MPA by planning to attend the 2011 meeting.

LOCAL REPRESENTATIVES

If your institution does not have a local representative (see the list on the website), and you would like to help recruit new members to MPA and help colleagues and students with the submission process, please contact the Secretary-Treasurer at secretary@midwesternpsych.org

Current local representatives can check the contact information for all members at their institution after they logon the web site.
